DETAILED ACTION

1. This application claims benefit of the foreign application:
UNITED KINGDOM 0214116.6 with a filing date 06/19/2002.
2. Amendment of claims 1-2 and 9, and cancellation of claims 11 and 13 in the amendment filed on September 20, 2007 is acknowledged. Claims 1-10 and 12 are pending in the application.

Responses to Amendment/Arguments

3. The rejection of claims 10 and 12 under 35 U.S.C. 112, first paragraph has been overcome in the amendment filed on September 20, 2007. Since claim 13 has been cancelled, the rejection of claim 13 under 35 U.S.C. 112, first paragraph has been obviated herein.

EXAMINER'S AMENDMENT

4. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. Authorization for this examiner's amendment was given in a telephone interview with Thomas Hamilton on November 19, 2007. The application has been amended as follows:

Art Unit: 1626

In claim 8, line 2, delete "comprising", and insert

--consisting of--.

In claim 8, page 9, line 30, delete "2-(5-oxo-5,6,7,8-tetrahydronaphth-2-yloxy)-methyl]-2-benzylsulfonylamino-butyronitrile,"

Reasons for Allowance

5. The following is an examiner's statement of reasons for allowance:

Claims 1-10 and 12 are neither anticipated nor rendered obvious over the art of record, and therefore are allowable. This invention relates to Alpha-sulfonylamino-acetonitriles. The closest reference is Jones's US 5,317,005, which discloses pyrimidine and triazinyl herbicides. The difference between Jones's and instant claims is that the instant compounds of formula (I) are not found in Jones's '005. A suggestion for modification of above reference to obtain the instant claimed compounds and methods of use has not been found. Claims 1-10 and 12 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
